*The purpose of this event is to help our young men grow in a discipleship relationship with Jesus Christ and the Church. The focus of the event is to reflect upon the priesthood as a "calling" and to encourage our youth be open to the possibility of such a calling in their lives. By allowing your son to attend such an event, it is understood that you encourage him on his faith journey. This is not an event where we enroll men in the seminary. Becoming a priest is a lengthy process, and should your son one day experience that calling in his heart, the Vocation Director would prefer to meet with the candidate's family in person to help unpack how the process works. The St. Andrew Dinner requires no commitment, no obligations, and no pressure to become a Roman Catholic Priest. We prefer that the participant be able to speak and listen freely in front of his peers about the Gospel and discipleship today. For this reason, the event is limited to those participants themselves who are open to this possibility along with their priests, youth minister, pastoral leader, campus minister, or other leader who may have invited them. Thank you for your support and trust as we continue to make disciples of all of the nations and build up the Church.*
