TO MAKE THE DAY SPECIAL

FAMILY FEET WASHING

On Holy Thursday, the parish priest washes the feet of parishioners to commemorate Christ's doing the same for his disciples. At home, the father can wash the feet of his wife and children.

Is that a little much? Perhaps Dad (or others) can find another more practical and personal way to be of

extraordinary service to those they love.

KEEP WATCH WITH JESUS

After Mass the priest puts the Eucharist in the "Tabernacle of Repose" to symbolize Jesus going to the Garden of Gethsemane where he will soon be arrested. Jesus asks the Apostles to "watch and pray" with Him. Turn off distractions during the evening and take some time to read the Bible and pray with Jesus.

SEDER MEAL AT HOME

The Mass has deep roots in the Passover Seder meal. You can do a simple meal like this at home. Or just try a few of the recipes with your family.
