

# LIVING THE SPIRIT OF EASTER

CELEBRATE THE JOY OF EASTER ALL SEASON LONG

## DOMESTIC CHURCH EDITION

### DISCIPLESHIP IS ROOTED IN THE HOME

Catholics can speak of four layers of Church. The Universal Church is made up of the Pope and all bishops in union with him. Second is the diocese led by the local bishop, and third are our parish communities where we worship and receive most of our catechesis. The fourth level of Church, however, is the **domestic Church**. In the early days of Christianity, the domestic Church was the primary way Christians worshiped and experienced community.

*In these days of pandemic, we are returning to our early roots by having Church in the home. This family guide will help parents see different ways they can keep the faith alive in their home and shepherd their own little flocks.*

“The future of evangelization depends in great part on the Church of the home.”  
-Pope St. John Paul II
