What is a White Mass?

A White Mass is a Thanksgiving Mass celebrated by Bishop David L. Ricken in gratitude for the dedication of healthcare professionals and the patients they serve.

Physicians, nurses, and all those serving in the wide variety of healthcare professions are invited and encouraged to attend, including retired personnel. In addition, we invite and hold in prayer all those whom they care for who are in need of healing.

We hope that you, members of your staff, and the members of your family who support the men and women working in health care each day, will attend to celebrate you and your service.
