White Mass on Feb. 16 celebrated in gratitude for health care professionals

GREEN BAY, Wis. (Feb. 13, 2020) – All are invited to the annual White Mass, also known as the Health Care Providers Mass, for the Diocese of Green Bay on Sunday, February 16, 2020, at 9 a.m. at St. Francis Xavier Cathedral in Green Bay. Bishop David L. Ricken will be the celebrant.

A White Mass, named for the color typically worn by those in the medical field, is celebrated in gratitude for the dedication of health care professionals. Physicians, nurses, and all those serving in the wide variety of health care professions are invited and encouraged to attend, including retired personnel. Bishop Ricken will also impart a special blessing upon those attending from the medical field.

“We are blessed to have our communities supported by dedicated women and men who serve in a wide variety of health care professions, including our local doctors and nurses. In addition, we hold in prayer all those whom they care for who are in need of healing,” said Bishop David L. Ricken. “The White Mass will give us the opportunity to unite our prayers of thanksgiving and petition for these individuals and especially to ask God’s blessing upon them.”

All are welcome to attend this Mass in gratitude for the dedication of health care professionals and the patients they serve.
