

Catholic Dioceses of Green Bay

Boiler Inspection Services

Travelers BoilerRE provides coverage and inspection services for the boiler and machinery exposures of the Diocese of Green Bay: including all parish and school locations.

Coverage is integrated into the **Catholic Mutual Group Property Policy# 8878**.

To schedule inspections, call directly to the **Travelers' BoilerRE Engineering Hotline 800-425-4119**.

Caller will be asked the following questions:

Name of Caller: _____

Phone # of Caller: _____

Named Insured: St. Joseph Real Estate Services Corporation serving the affiliates of the Diocese of Green Bay

Location Name: Parish, School or other entity name

Location Address: Locations main physical location – usually the office or rectory where first contact would be made by inspector with the contact person.

Location Zip Code: _____

Contact Name: _____
Usually the maintenance person who will accompany the inspector.

Contact Phone: _____
For the Inspector to schedule time directly with the contact person.

Policy Number: Catholic Mutual Group #8878

Travelers BoilerRE will take care of the inspections directly with the parish/school and file any necessary papers with the State of Wisconsin. A certificate of Boiler Inspection will be provided for posting in the area of the unit inspected.

The fee for this service is included within the premium of the Catholic Mutual Group Policy.

Please contact Aon with any questions or service item's that may arise.
