

Rental Vehicle Coverage

There is no need to secure coverage for each individual rental vehicle as coverage is provided under the Commercial Auto policy (e.g. Mission trips). The only requirements are the following:

1. Rental Vehicle should be rented under the Parish or Schools name.
2. As you have done in the past, please continue to contact Aon to provide us with the names of rental vehicle drivers **no less than 14 business days prior to the rental date.**
3. The rental vehicle drivers should complete a free, 15-minute, Defensive Driving video on Catholic Mutual Group's website at <http://www.catholicmutual.org/> prior to using a rental vehicle (a link to the video is on their main page, and we can provide directions when you contact us). An individual driver would only need to complete this webinar once. Please let us know if you have any questions.
4. Catholic Mutual Group prefers that any automobile accident claim be reported directly to Church Mutual Insurance Co. by phone at 1-800-554-2742 Option 2 (as opposed to fax, e-mail or regular mail). **Policy# 0500232-09-118037**
5. After the driver(s) are approved, Aon will send a Vehicle Identification Card to the parish contact for placement in the rental vehicle(s).

Items to remember when you are renting the vehicle(s):

1. You may decline the auto coverage through the rental company as coverage is provided through the diocesan policy.
2. **Rental Vehicle should be rented under the Parish or Schools name**
3. **Vehicle(s) MAY NOT seat more than 10 people.**
4. **11-15 person Passenger Vans are EXCLUDED**
