This requirement needs to be fulfilled before the end of the academic year. Thank you! Professional Development Scholarships

Deadline to apply: February 28th

No teacher can teach what he/she doesn't know, thus this scholarship was developed to positively support and influence our diocesan youth ministers, campus ministers, and religious education administrators so that they can better teach, love, and disciple the young people in their midst.

The St. John Bosco scholarship is awarded to three youth ministry or religious education employees throughout our diocese. This is a one-time \$600 scholarship awarded for a professional development opportunity in 2017.
