CATHOLIC HEALTH CARE

IN THE DIOCESE OF GREEN BAY

A Ministry of Faith, Healing, & Service

DID YOU KNOW?

- Our diocese is blessed with a vibrant Catholic health care presence serving thousands of people every year.
- When you receive services at a Catholic health care facility, the teachings of the Church are respected regarding human life, sexuality, care for the whole person, and the dignity of the poor.
- Catholic health care serves and assists people with financial burdens.
- Many Catholic health ministries in our region were founded by religious sisters, whose legacy of compassionate service continues today.
- The Catholic Church helped develop the modern hospital system to care for the poor and suffering.
- The Corporal Works of Mercy are lived out every day through Catholic health care.
- Some of the largest employers in our region are these distinct Catholic health care corporations, which tirelessly serve our communities.
- The Gospel of Jesus Christ is preached not only in words, but through compassionate care for the sick.
- Our diocese is a leader in working with Catholic health systems to integrate the teachings of our faith into the care of the sick and vulnerable.
